Dear Teacher,

What you are purchasing is a record book to keep track of student grades and other important information. This item includes:

- 1) Beautiful Binder Cover
- 2) Title page to record your teacher schedule
- 3) Special Calendar of Events
- 4) Passwords page
- 5) Substitute teacher information
- 6) Parent Directory (Portrait & Landscape)
- 7) Parent Contact Documentation
- 8) Student Seating Chart
- 9) Grades Recording Page (2 Versions: 1 holds 21 names and the other holds 13) These pages extend for a 9 weeks.

Note: Once I started grouping my students by ability and differentiating to accommodate all students on each level, I started using a smaller grade book sheet for each group. (This is why I included the page with only 13 spots.)
